

Frog

design Piero Lissoni

Frame in chromed tubular steel or painted with epoxy powders in grey aluminium colour, or in satin finished AISI 316 stainless steel. Woven with the following materials: trim in natural and coloured rawhide (black, brown), hemp cord, profile in transparent and coloured PVC. The armchair can also be padded with the seat and back in polyurethane foam and acrylic fibre covers. Felt, leather or fabric upholstery. The covers of the fabric version are fully removable. Seat depth 51-60cm.
